

Grace Bible Church Pakistan Ministry April Newsletter

The new **Grace Bible Church** in Pakistan

Thank you all so much for your prayers and continued support through the giving of your time, talent, and treasure to make this a reality. We have dedicated this building to be a bible college and church. As our mission statement proclaims:

**"I have treasured the words of His mouth more than my daily bread."
Job 23:12b**

We are dedicated to communicating the Word of God, daily, for our edification towards a personal relationship with the Lord Jesus Christ.

COME and eat with us.

The **good news** is that we can register our church with the **Pakistan** government and have started the process.

The **“Tree of Life”** is now available on our website in **Urdu**

386 people visited our website in the month of April and our biggest audience and listeners to the messages are somewhere in **Russia**.

Please pray for them.

The **My Heart** book in Urdu is now available on our website along with children’s **lessons**.

Soon the craft and bible worksheets will be available.

For those who are not familiar with this book written by Debbie King, Sam’s journey takes him from a sick heart, to a searching heart, to a saved heart, to a strong heart, to a serving heart, to a smiling heart.

We had a **cricket match** for our children's ministry

Zulifqar their great **spiritual** coach

Aqeel giving **thanks** before dinner

and **Rufin** eating

We continue to proof read the **Basics Book** as it is being prepared and translated in Urdu.

Village ministry visits are every Sunday, even through their hard work as they are harvesting the crop at this time. We have been **given gifts** of food out of gratitude from our villagers.

We **humbly** ask for your support in all areas for this ministry as we prepare the new building for the bible college. We receive grace gifts of \$6000 and **thank you** for answered prayer. We still however need \$5000 within the next 10 months to complete the promised transaction.

Please keep this ministry in your prayers

1 Timothy 1:12

We thank Christ Jesus our Lord, who has strengthened us, because He considered us faithful, putting us into service

All in Pakistan thank you
