Monthly Report

Dear Royal Family:

We are all so truly blessed in so many ways that it should bring us to our knees in worship praising our Lord for being born at this time. We have so many opportunities to witness the gospel and truth to a lost and dying world and in submission to the Holy Spirit He holds our thoughts, words and deeds through it all. God has hand picked the men with the gift of pastor teacher in this time and age to equip us for the task at hand. We thank each and every one of you and Praise You Lord and Holy one of Israel!

In Pakistan this month Zulifqar and Chris Harris, our new disciple, attended the meetings given by Pastor Azam in Lahore and Pastor Khalid Naz in Faisalabad. Rev. Moses spoke about the Doctrine of Salvation and all the doctrines that go along with this, justification to be one.

Both Zulifqar and Chris's are spilling over with the truth given and are amazed at how many scripture verses Rev. Moses knew in his mind and how simply and clearly he showed the truth to believers, deceived believers, and unbelievers. They are truly grateful for those who gave for their journey. They have not the words enough to just say thank you and in tears they are full of gratitude.

Our new disciple Chris Harris and our boys Rufin and Aqeel

Rufin and Aqeel our orphans are living with our mom and dad and being the boys God intended them to be. Rufin has healed from his surgery and both have started their school this month. It's because of you that they have the opportunity to be educated not only in academics but also every night in the Word of God with our children's meeting. They say thank you and Happy Easter and Resurrection Day from them. We will need a monthly sponsor to keep them in school and feed in the future months coming up. Please pray about this and let us know if the Lord leads you.

Lol...there was no hat big enough for Rufin

Faisal continues to teach almost every night (their morning) and build up the body at Grace Bible Church Pakistan as he is filled with doctrine from the most amazing teachers on earth. You all know who you are and we thank you.

We are almost finished with proof reading Debbie King's "My Heart" lesson which were translated into the Urdu language by our cousin Saqib and helpers in Toba Tek Singh and will soon be in print and ready for distribution hopefully this month. Thank you for those who continually make this possible.

We have been given permission from Pastor Gene Cunningham to translate "The Basic" book into the Urdu language and get it ready for print. Please pray for us as we make this all possible by prayer and submission to the Spirit of God.

We want to thank everyone for helping us bring the gospel to the young and old and especially give thanks to our King and Savior Jesus Christ.

In His name with love,

Faisal and Carrie John
