

GBCP May 2009
Monthly Report

Greetings Royal Family:

It is our blessing to share with you the events that transpired though out the month of May.

This month we spent focusing on studying the word, especially the Angelic Conflict and teaching it to Zulifqar Gill and our new disciple Chris. The book of Ephesians is the daily teaching for the church that gathers every morning and Faisal is continues to teach the sit process now in Eph. 2:20.

Last month I wrote that the loud speaker that we attached to the outside of our church building could be heard blocks away. I was wrong and by chance we came to know just how far the sound travels into the homes and lives of people as they first wake up with the light of dawn. As we began

our prayer time on the morning of June 11, 2009, Zulifqar received a phone call from Waheed who was in the village area many miles away. Waheed said he could hear them clearly as the prayer and worship and message rang out through the air. Please continue to pray for the Lord to protect and encourage all who may come to believe and know our Lord's grace gift of salvation the Holy Spirit to build up the new man.

We only have the Urdu applications left to do on our website and we want to share with you this address at this time. www.gbcpakistan.org. We want to thank our brother Mark Clark for his time and talent to make this possible.

We also had a picnic at the local park for all the children and teens as a celebration of the ending of the school year and to encourage them to spend more time to study the word of God with us. Ruffin and Aqeel are very active to know more and more about our Lord.

We received all 25 doctrinal tapings that pastor Azam and Bruce Bumgardner did in Texas to target the Urdu speaking people and we want to thank them for this. We have researched on the cost to air them on the local cable network in each of the two Christian colonies in Arifwala. This cost would be 2500 rupees or \$30 per month per colony and they would be aired 2 times a day. If you are lead to give for this cause please contact us.

WE still do not have an open door to visit all the displaced people in the northwest mountain area so we continue to pray for His will in this.

We do however have many people interested in us revisiting the villages we went to a few months back. They want us to share the word with them. They have been receiving the Tree of Life and other doctrinal material and want to learn more. Please pray for the resources to do these visits.

Please continue to pray for the Lord to lead us in His plan and especially for the daily salvation messages to be clear. Under His wings in Jesus name,
Faisal and Carrie John
